Dôme Épais from Lakme

Lakme: Viens, Mallika, les lianes en fleurs jettent déjà leur ombre sur le ruisseau sacré, qui coule, calme et somber, éveillé par le chant des oiseaux tapageurs!

Mallika: Oh, maîtresse, c'est l'heure où je te vois sourire, l'heure bénie où je puis lire dans le cœur toujours fermé de Lakmé!

Both: Sous le dôme épais, où le blanc jasmin à la rose s'assemble, sur la rive, en fleurs riant au matin, viens, descendons ensemble. Doucement lissons de son flot charmant suivons le courant fuyant: dans l'onde frémissante, d'une main nonchalante, viens, gagnons le bord, où la source dort et l'oiseau, l'oiseau chante.

Sous le dôme épais, sous le blanc jasmin, ah! Decondons ensemble.

Anvil chorus from Il trovatore

Vedi! Le fosche notturne spoglie De' cieli sveste l'immensa volta; Sembra una vedova che alfin si toglie i bruni panni ond'era involta.

All'opra! all'opra! Dàgli, martella. Chi del gitano i giorni abbella? La zingarella!

Versami un tratto; lena e coraggio il corpo e l'anima traggon dal bere.

Oh guarda, guarda! del sole un raggio Brilla più vivido nel mio/tuo bicchiere! All'opra, all'opra... Dàgli, martella... Chi del gitano i giorni abbella? La zingarella!

Translation

Lakme: Come, Mallika, the lianas in bloom throw already their shadow over the sacred stream, which runs, calm and somber, awakened by the song of the noisy birds!

Mallika: O mistress, it is the hour when I see you smiling, The hour is blessed when I can read the always-closed heart of Lakmé!

Both: Under the thick dome Where the white jasmine with the rose entwines on the riverbank, in bloom Laughing in the morning, come, let us go down together Gently we glide on its waters charming Let us follow the current fleeting: on the waves shimmering, with a hand uncaring, come, let us reach the bank, where the spring sleeps and the bird, the bird sings

Beneath the dome thick, beneath the white jasmine, ah! Let us go down together.

Translation

Look! See how the darkness of night is lifting and revealing the great vault of heaven; Seems like a widow who is finally casting off the dark clothes in which she was enveloped.

To work! To work! Ready, hammer! Who cheers up the gypsy's days? The gypsy lady!

Pour me a drink; body and soul draw strength and courage from drink.

Oh look, look! A sun's ray shines brighter in your glass! To work, to work... Ready, hammer... Who cheers up the gypsy's days? The gypsy lady!
